Dear Parents and Carers,

Our school policy states that pupils are not allowed to bring mobile phones onto school premises or use them during school hours.

We are aware that there are occasional circumstances when older children may need to have a phone in school. For example, if a child walks to school or home alone.

If this is the case for a pupil in your care, please complete the slip below, to inform the class teacher that the phone is necessary. We can then arrange for the device to be securely stored until the end of the school day.

School will store phones brought into school for legitimate reasons. However we can take no responsibility for loss, damage or unauthorised use of phones. Parents will be informed if pupils are found using phones in school or in possession of phones without prior permission.

**Please note the phone must be switched off whilst on school premises.**

Thank you for your continued support.

Kind regards,

Ms Cooper  
Head Teacher
